EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Dwight Diehl on September 25, 2006.

The application has been amended as follows: Claim 1 has been replaced with the following rewritten claim 1:

1. (currently amended) A means for visually displaying the position of an animal's forehead relative to a vertical line extending from the ground; said means comprising:

a horseshoe shaped element having two vertical clips located on opposite sides of the horseshoe element;

a connecting means having a slot therein;

and a display unit comprising a window and a circular indicator element having multiple colors thereon, visible through said window;

said connecting means interconnecting the display unit and the horseshoe element.
